ACHIEVEMENTS

Sharon Egretta Sutton Architecture Fellow | 2018
University of Washington

The endowment supports my commitment to improving living conditions in disadvantaged communities specifically for homelessness in Seattle. In addition, the fellowship aids my research for affordable housing options in metropolitan areas through funding attendance to low-income housing conferences.

Scan|Design Scholarship Recipient | 2018
University of Washington
Instructor: Professor Nancy Rottle

Scholarship funded the study abroad session in Copenhagen on the study of public spaces and public life. The conducted research analyzed Danish housing typologies and housing ownership models.

SALA Architects Prize Finalist | 2015
University of Minnesota

Studio Project: "The Culinary Operation"
In collaboration with Samantha Matuke

Jury nominated the project for clear, persuasive diagrams articulating a strong concept for the need of urban farming in Northeast Minneapolis.

EXPERIENCE

Graphic Designer | January 2018 - Current
Livable City Year, Seattle, WA

Program Manager: Teri Thompson Randall | (206) 221-9240

- Established graphics standards for Livable City Year
- Developed branding and marketing materials
- Constructed 30 final student reports for publishing for partner cities

Architecture Trainee | May 2016 - August 2017
FM Design, Minneapolis, MN

Design Manager: Anne Wagner | (612) 626-9894

- Carried on remodel projects from schematic design to construction
- Provided 3D renderings to clients and presented appropriate interior finishes
- Primary focus- higher education renovations

Intern Architect | May 2015 - August 2015
HKG Architects, Aberdeen, SD

Construction Administrator: Scott Sikkink | (605) 380-0830

- Transitioned the firm's work process from AutoCAD to Revit
- Provided research and drawings in a timely manner for Project Managers and clients via AutoCAD, Revit, and SketchUp
- Primary focus - educational (K-12) building additions
